Continuation of Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments: Applicant called for information with regard to the Office action. The references were discussed with regard to the claim language and the rejection under 112 second paragraph was also explained. The applicant was further reminded that a claim is only 1 sentence long and when applicant discussed changes to the description the examiner cautioned that they had to be supported by the original disclosure. Applicant suggested changes to overcome the 112 rejection by providing antecedent basis and the examiner agreed that such changes would improve the claims. The examiner will further evaluate applicant's amendment once it is received..
